- grabs to and from the contractor's vehicle will be arranged by CoPT **only in Port premises.**
- 4.5. The contractor should employ sufficient number of working groups consisting of skilled workers and supervisors simultaneously to carry out the work. Supervisors must be qualified, experienced and must have capability and responsibility to interact with Port Officers.
 - 4.6. Based on the schedule of work and rate as per Schedule B1&B2, separate work orders will be issued for each Grabs renewal/repair works.
 - 4.7. As and when repair/renewal work arises, verbal, SMS or e-mail intimation will be given to the contractor. The work should be commenced immediately on receipt of such intimation of CoPT. Firm work order will be issued subsequently. As and when defects are observed on any of the grabs, they will be placed at a quay (berth) where the dredger GHD Nehru Shatabdi can be berthed and will be intimated to the contractor via phone/sms/e-mail.
 - 4.8. **The contractor can take the grab/ components to his work shop to carry out repair works.** In such situation, the contractor will be responsible for the safe custody of grab taken to their workshop and responsible for the loss / damages caused to the grab. The contractor is liable for the payment towards damage/loss, as per the cost assessed by CoPT. The contractor shall compensate for the loss / damages, if any, caused to the grab during this period.
 - 4.9. **The repair/renewal works of each grabs shall be done at contractor's site. After receiving work order for each grab, the contractor shall transport the grab to his site for repairs and bring back to CoPT premises after repairs by contractors vehicle and his own risk and unload it to the berths as per EIC's instruction.**
 - 4.10. After dismantling the defective grab by the contractor at his site, **Engineer-in-charge will survey and list out details of work. Based on this, individual work order will be placed for each grab, line item wise as per the price schedule.**
 - 4.11. The contractor has to carry out all necessary repairs, including handling and transporting of grabs or its components from the CoPT berths to the contractors workshop and back, at his own and risk. CoPT will provide **cranes/lifting equipments free of cost** for loading/unloading the grab/ its components into/from the contractors' vehicle at CoPT premises. Any minor work which is required to be carried out during commissioning/operation of grabs will be permitted to undertake in CoPT premises.
 - 4.12. After repairs, all lubricating points of grab assembly shall be lubricated by the contractor.
 - 4.13. Work completion period for each grab will be **15 days (maximum)** from the date of handing over of grab to the contractor. However, the contractor shall make all efforts to complete the work in minimum time. On justifiable circumstance, additional time for completion of the work will be granted by EIC up on request of the contractor.
 - 4.14. **The contractor should give a Guarantee of Three months for each repaired grab from the date of fitting the grab in the vessel for operation after repairs, for workmanship /materials used for repairs.**
 - 4.15. **90% payment for each grab will be made on satisfactory completion of work,** which means completion of entire work mentioned in the corresponding work order and bringing back the grabs to CoPT premises and unloading the same to the berth as per the Engineer in charge's instruction and submission of relevant GST invoice. The invoices for each grabs shall be addressed to SE (M) T T, Cochin Port Trust. Balance

- 10% will be paid after the guarantee period of **3months** from date of fitting the grab in the vessel for operation, as certified by MES.
- 4.16. Any defect / damage found in the attended work during initial operation of grab after repairs, due to poor workmanship / material used by the contractor, should be rectified by the contractor at his sole risk and cost and to the entire satisfaction of the Engineer-in-Charge within the guarantee period of three months
 - 4.17. Income tax at the prevailing rate will be deducted from each bill.
 - 4.18. The contractor will be responsible for the safe custody of Grabs taken for repairs from Port Trust and till return after repairs to CoPT premises. Any expenditure due to loss or damage to such materials and also to any property of the owner caused on account of this work will be realised from the contractor.
 - 4.19. Cochin Port reserve the right to cancel this contract at any time during the tenure of the contract without assigning any reason thereof. Cochin Port also reserves the right to entrust another contractor for the same work during the contract period.
 - 4.20. The Contractor himself has to ascertain the labour situation and trade union problems prevailing at the site and is liable to sort out any problems in connection with the contract at his own risk so as not to affect the work. Without consent or knowledge of the Employer, contractor should not make any agreement or settlement with Unions.
