Subject: Release of BETA Version of National Logistics Portal Marine

It is pleasure to inform all concerned that the Beta version of National Logistics Portal (NLP) Marine has been released to the Maritime User Community mainly to get feedback on the user experience and functionalities. This Project has been undertaken by IPA on behalf of Ministry of Commerce and Ministry of Port, Shipping & Waterways.

The Beta version of the NLP Marine (Iteration 1 & 2) consists of the following modules with limited functionalities: -

Iteration 1

- Landing Page
- Service Catalogue
- Registration Module
- Login Module
- Common Application Form CAF
- eVGM Module
- Booking Module
- Transport Module

Iteration 2

- eSeal – Electronic Seal
- Trade Finance
- Insurance
- Document Exchange

All the stakeholders to the NLP Marine are invited to try & test the functionalities and offer their valuable comments/ suggestions to make the system useful, user friendly and secure.

In order to log in to the system, the users may contact Indian Ports Association (IPA) for the BETA version link and log in credentials at support.ipcs@nic.in, Phone 011-24369125, 1800115055.
