No. A1/346/Mult/2020/T

Dated: 13.01.2021

**Trade Notice No. 01/2021**

Sub : Alternate berthing space for Bunker Barges during the period of re-construction of SCB.

In order to facilitate the reconstruction work, the South Coal Berth (SCB) of Cochin Port Trust is being decommissioned shortly. Therefore, as an alternate arrangement for the berthing of bunker barges at SCB, the spare capacity at Q1 and Q4 shall be made available. Further, the barge jetty adjacent to the Multi User Liquid Terminal (MULT) at Puthuvyppeen with a berth length of 130 m and draft varying from 2 to 2.5 m also can be utilized for the purpose.

The berthing of such barges shall be at the sole risk and responsibility of the user and also on payment of applicable charges. All the Port Users associated with the bunkering business are hereby informed to avail the above facilities with due approval from Traffic and Marine Departments. The movement of barges may be intimated to the Port Control ([portcontrol@cochinport.gov.in](mailto:portcontrol@cochinport.gov.in), ph: 0484 - 2582525) and Sr. ATM (E&O) ([berthallotment@cochinport.gov.in](mailto:berthallotment@cochinport.gov.in), ph: 0484-2582230) so as to incorporate the same in the Daily Shipping Movement Programme.
